**Casual.  
Small Town.  
Chic.  
Friendly.**

## **Atmosphere for your business.**

If your retail business could benefit from being located on a major thoroughfare near a major, upscale tourist destination then you should consider The Hub or Lakeside Towne Center.

The Hub is one of Richmond's oldest shopping centers and Lakeside Towne Center is a new complex anchored by a restored vintage Esso Service Station. Both locations are highly visible on Lakeside Avenue and within view of Lewis Ginter Botanical Garden.

Small and large retail spaces are available starting at \$695 per month.

*The Hub is Henrico County's oldest shopping center...operating continuously since 1948.*

*Lakeside Towne Center is a new complex anchored by a faithfully restored vintage Esso Service Station. A true landmark location.*

## Editor's Rant By Bob Robb

#####

Here we are, back on the road again. After a sabbatical of some time here's another *Gas Light*.

Saturday, July 20 we went on an absolutely delightful tour of central Virginia countryside visiting Walkerton Tavern, Meadow Farm and ending with lunch at the all new Rumble Seat Grille out in Centerville. President Lacy is keeping his promise of "let's go touring" with this the second tour of his administration. Thanks Bud.

With great loss and sorrow we said goodbye to our good friend Bruce Woodson, Sr. As we know, Bruce was the last of our Region's Founding Members and was always the Star of our events which he very rarely failed to attend, even when he had suffered one of the all too frequent physical mishaps. So long good friend, Rest In Peace.

Pendy's home. We ran her out to the July 4th picnic at Scotchtown.

Again, our June Car show was a huge success due to the hard work of our membership and the cooperation of the weather. Thanks to both.

Just found out that Carol Woodson is now manager of the NAPA store on Staples Mill Road. She was formerly manager of the Chamberlayne Avenue outlet. One thing I gotta say about NAPA, if you need a part for your vintage car, they are the professionals to go to. Other "discount" stores just can't match the service of NAPA when it comes to having and above all, being able to find the part you need. And, if you are an AAA member you can get a discount on many items.

### UPCOMING EVENTS

## ***GREAT CENTRAL VIRGINIA TOUR OF JULY 20, 2013***

I think I can speak for those who attended, and there was a tidy number of them, the Richmond Region tour of July 20 was a hit, *again*. The weather was perfect (tho' hot), and the cars ran fine with the single exception, John Puryear's little Chevy had on incident of no-start—push me please!! The folks at Walkerton Tavern and Meadow Farm were very informative and we even got a tour of the animals at Meadow Farm. Come join us next time. Here are some photos of this fun event:
